## Education

### Full Stack Web Development (Full time)

Masai School, Bengaluru  
Sep 2022 - Sep 2023

### Diploma in Electronics and Telecommunication Technology

Government Polytechnic Pune, Pune  
Aug 2019 - Jun 2022

### Higher Secondary School

Yeshwant Mahavidyalaya, Nanded  
Jun 2015 - Apr 2016

## Technical Skills

- JavaScript
- Node.js
- Express.js
- MongoDB
- RESTful APIs
- Git
- MySQL
- HTML5
- CSS3
- Redis

## Soft Skills

- Teamwork

## Certifications

Construction Electrical Works - Assistant Electrician  
PACE, Ahmednagar

# Sambhaji Balaji Dhore

## Node JS Developer

## Professional Summary

Highly skilled Node.js Developer proficient in JavaScript and Node.js. Collaborative problem-solver experienced in developing high-quality server-side applications and RESTful APIs. Strong teamwork and communication skills with a proactive attitude for seamless collaboration in dynamic software development teams.

## Projects

**ctshirt.com** [Live Demo Link](#) [Github Repo Link](#)

- HTML5
- CSS3
- JavaScript
- Node.js
- Express.js
- MongoDB

- Implemented user registration and authentication functionalities for a seamless shopping experience.
- Designed and constructed the user-friendly front-end interface
- Implemented essential features, including product search, sorting, and filtering options.
- Enabled customers to add items to their shopping cart and complete purchases securely.
- This project was completed as an individual effort within a span of 5 days.

**Vlink** [Live Demo Link](#) [Github Repo Link](#)

- HTML5
- CSS3
- JavaScript
- Node.js
- Express.js
- Socket.IO
- MongoDB
- Redis

- Developed a user-friendly communications platform with video, audio, and chat functionalities using *HTML, CSS, JavaScript, and Node.js*.
- Implemented user sign-up and log-in feature with secure authentication.
- Managed admin CRUD operations and facilitated user subscription purchases.
- Successfully implemented automated mailer functionality to validate payment OTPs.

## Experience

**L&T Electrical & Automation** | Trainee Engineer

Feb 2019 - Jul 2019

- Executed precise auto calibrations on various equipment, ensuring optimal performance and adherence to quality standards.
- Conducted thorough manual calibrations, demonstrating meticulous attention to detail and a commitment to precision engineering.
- Led product testing initiatives, rigorously evaluating performance metrics and identifying areas for improvement.
- Proficiently handled product wiring and assembly, contributing to the seamless production process and timely delivery of high-quality products.
